ADVANCED DISCOVERY ANNOUNCES THE ADDITION OF TERRENCE JONES AS VP OF SALES

MOUNTAIN VIEW, Calif. – (May 3, 2010) – Advanced Discovery announced today the hiring of Terrence Jones as Vice President of Sales based in our San Francisco office. Terrence brings 10 years of industry specific experience managing large electronic discovery projects for law firms and corporations in the Bay Area and throughout the United States. Additionally Terrence managed a stellar team of data analysts who will also be joining Advanced Discovery to continue to support their clients with the high level of service that they have come to expect.

“We are excited for Terrence to join our team,” said Thadd Hale, COO of Advanced Discovery. “Terrence has been very successful in the electronic discovery arena because of his end to end understanding of the litigation life cycle and deep understanding of technology. Having held high ranking positions in operations and discovery consulting, Terrence brings the proper experience needed to manage the largest and most complex cases from collection through production. “

About Advanced Discovery

Advanced Discovery is a leading provider of eDiscovery services to clients worldwide in both the legal and corporate communities. Our services include computer forensics, electronic discovery, early case assessment, web hosting, document review and paper discovery. Advanced Discovery offers technology solutions that assist law firms and corporations to quickly and accurately reduce vast amounts of electronically stored information into essential and searchable data sets effectively providing a high value product at a low comparative cost. Headquartered in Mountain View, Calif., Advanced Discovery also maintains locations in San Jose, San Francisco, Los Angeles, Orange County, Chicago, Austin, Texas and Overland Park, Kans.
