**ADVANCED DISCOVERY ANNOUNCES THE ADDITION OF ROB SORENSEN
AS VICE PRESIDENT**

MOUNTAIN VIEW, Calif. – (November 18, 2010) – Advanced Discovery announced today the hiring of Rob Sorensen as Vice President, Sales. Mr. Sorensen is an electronic discovery sales professional with a twelve year history of providing industry leading solutions to Fortune 500 corporations and AM Law top 200 Law Firms. Rob’s success directly correlates to his ability to identify his clients’ business initiatives and articulate the most relevant solutions toward achieving strategic and profitable results. Due to his acumen, Rob’s tenure with Advanced Discovery will be focused on origination of corporate client projects that best utilize the company’s full range of electronic discovery solutions.

“We are thrilled to have Rob on our team,” said David Vandygriff, CEO of Advanced Discovery. “Rob’s ability to build strong and enduring relationships with clients is a great fit for our organization. Our consultants are well positioned to offer extraordinary solutions for the organizations that Rob attracts. We expect revenue to grow in our eForensics, Hosting and Professional Services with Rob on board. “
